

SCHOOL DISTRICT
Langley
INTERNATIONAL STUDENT PROGRAM

School Year
2023-2024

Langley School District has been welcoming international students since 1989. Our International Student Program offers a wide range of education options which include elementary and secondary school completion programs. Our schools offer an excellent learning environment with many course options and an excellent English Language Learning (ELL) program for high school students, from beginner to advanced levels. In addition, we have a dedicated International Student Coordinator at each secondary school.

Langley School District is located in British Columbia, Canada, only 45 kilometers east of Vancouver. Our city has a lot of amenities for social activities, shopping and recreation. With almost all of our residents speaking English as their first language, international students will have the opportunity to improve their English while being immersed in Canadian culture.

We also operate our own homestay program. Our homestay families are selected carefully to ensure the safety and comfort of international students.
